COM – 13 : CEYLANPINAR-“ANNEM İLE GEZMEK İSTİYORUM” – I WANT TO SPEND MORE TIME WITH MY MOTHER

Ceylanpınar is a district of Şanlıurfa which is located in the south-east of Turkey. We know that in this district successful male and female students in the schools join to the trips. But Şanlıurfa is the biggest city for the mothers of these students who are not able to go out this city in all their life. Therefore,

We want these mothers to take trip and let them see other countries & cities and make our own culture well-known in other countries.

Especially 20 students who are studying in our school and their mothers will be involved in this project. We also want to house 20 students and their mothers in our district and introduce our culture to other countries.

The aims of our project are ;

- To create an awareness about that mother has an important place in our social life.
- To help them to see different life styles in different areas and to take active role to provide better life for the new generations by seeing the social status of the woman in different countries
- To share the cultural & traditional features by preparing fair.
- To provide money gotten from the fair will be used in the sake of schools development.

The objectives of the project:

- 1- To provide the needs of the women who live in the area of social work
- 2- To be first in such a project for women in the city.
- 3- To assist mothers who they don't have chances to go outside of the city to see other worlds
- 4- To make men accept women's power in these activities.
- 5- To have thoughts of that mothers in this project will enlighten the future so to enlighten the future indirectly.
- 6- To assist the female students have chances to go to school by providing income from fairs.

Expected Results:

- 1- Providing social support for the mothers who never have chances to go out of the city
- 2- Helping to change the idea about the importance of the women in our lives.
- 3- increasing the motivation of the students in the schools.
- 4- providing social fusion with different cultures and countries.
- 5- supporting the high schools students who are from disadvantage areas with the income gotten from fairs & project.

Expected Activities :

1-Forming the project team

2- Determining the students and mothers name from schools.

3-Meeting with students and mothers who will attend to the project.

4- Meeting every month with the people who will take part in the project & making labor divisions (informing them about the trips)- weekly seminars will be taken place in schools and principal will inform the parent about the importance of going to school.

5- Preparing the publicity materials for the fair and projects and distrubuting them to the public.

6- Preparing the first fair in the school garden.

7- Going to another countries and having experiences with other cultures.

8-Presenting our culture and country with a fair in other countries

9- Organizing farewell night with students &mothers and all participants of the project,

10- Publishing a magazine formed by the broshures, posters of the project. The income gotten from this magazine will be used for students in disadvantage areas.

11- Creating a website and updating it periodically.

Visibility Activities:

1. Publishing brochure, flyer, poster and distributing them to the public.
2. Publishing 1000 magazine to make our project well-known in the city.
3. Creating a website
4. Using local and international press to present our project and let them involved in our activities
5. Fairs that we would like to prepare in the content of the project for the visibility.
